A-level Art

There are many reasons why you should study art. It is not just about being able to draw...or paint...or make things...

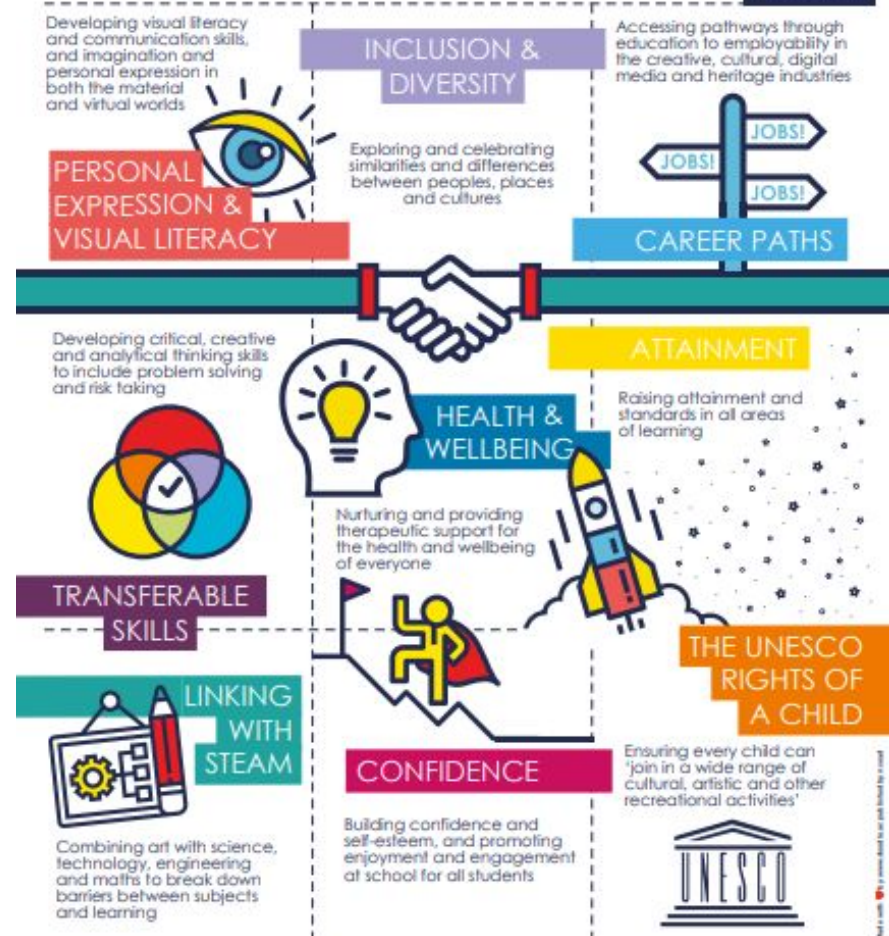

A briar and balanced A-level provides everything you need to take the next step into a creative career.

The study of Art will enrich your life AND you will develop skills that universities and employers want and need.

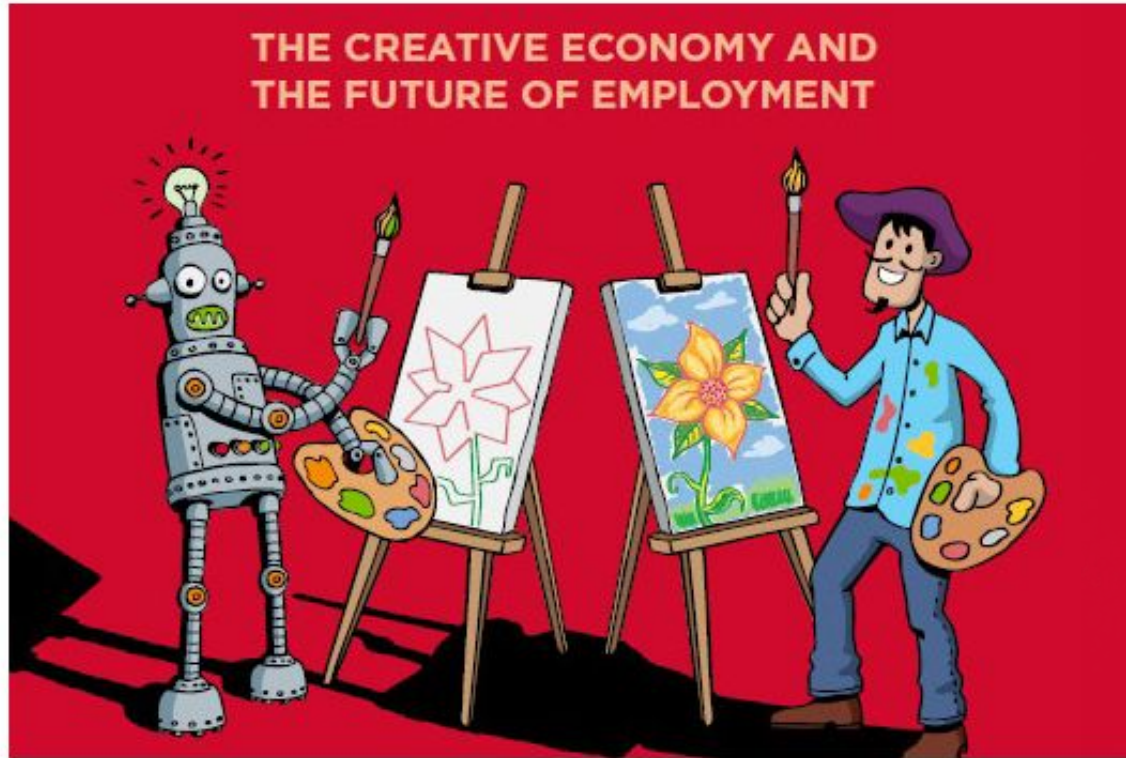

Art, craft & design is for...

CREATIVE JOBS MORE RESISTANT TO AUTOMATION

[Creative Industries](#)

A **report** by Nesta, the innovation charity, has assessed the majority of creative jobs as probably at a low risk of being replaced by automation and robotic technology.
