

Consent Form Using images of Students

Occasionally, we may take photographs, or make video or web cam recordings, of the students at our school. We may use these images in our school prospectus or in other printed publications that we produce, as well as on our website, Facebook and twitter.

Photographs, video or web cam recordings may be taken, of the student at our school e.g. a winning school team for use in the local press. These images may be used in publications to the general public.

We are using Facebook and twitter as an extra way of communicating. Up to the minute photos, results, achievements and match results will be tweeted and posted on Facebook.
