

There has been wide consultation on this agreement in which we lay out what students can expect from us and, in turn, what we can expect from them.

WHAT WE WILL OFFER YOU

- Initial and continuing guidance about courses to meet your needs.
- Appropriate teaching, setting and marking of home learning.
- Delivery of a seminar program to ensure you have the skills, knowledge and understanding to be Success Ready, Future Ready and World Ready.
- Regular reports and assessments of progress which will take account of your abilities and your objectives for the future.
- Regular meetings with an academic mentor to discuss your progress.
- Further review of progress whenever necessary on request.
- Personalised intervention and support to enable you to be successful.
- A wide range of extracurricular and supercurricular events and experiences which help you to stand out when applying for higher education and employment and help you develop interpersonal skills.
- Facilities and resources for study and the encouragement to acquire sound learning skills and habits. (The Sixth Form Centre is open and you are welcome to study in it from 8.30am to 5.00pm).
- Careful and comprehensive advice and support about careers, both in education and in employment.
- A willingness to talk with you and your parent(s)/carers both at regular published meetings and whenever you request an appointment.
- A genuine concern for the welfare and development of all students. Staff are available for consultation and the help of outside agencies can be sought when needed. No student should ever feel that there is no-one in the school to turn to.
