

Moving up to Angmering - Issue 7

Transition Day

I enjoyed welcoming the students to our induction event and hope that everyone had a great time getting to know future classmates and enjoying just a small flavour of all the school has to offer.

It may seem daunting to students to transfer to secondary school but students will build foundations for friendships that will last us a lifetime. I hope students will settle quickly and achieve with us.

I will encourage students to try out as many opportunities as they can and make the most of everyday both in and outside the classroom.

I hope parents and carers now feel reassured that students will be well looked after here and are excited to join them in starting this new and exciting chapter of their lives.

Moving up to Angmering - Issue 7

Frequently Asked Questions

How do I contact a subject teacher / Tutor ?

Your child will have all their teachers names on their timetables. The teachers do not have telephones in their classrooms so you need to email them. Their email addresses are their initial then surname @theangmeringschool.co.uk (eg : asmith@theangmeringschool.co.uk)

Contacting the Head of Year?

Each Head of Year is responsible for around 250 students so please be mindful that they may not reply to your phone message or email immediately and will probably have a list of parents/carers to call back. **Your first port of call for any queries should be the tutor.**

How do I pass a message to my child ?

Please remember that messages can only be passed on in an emergency, please contact Student Support via email.

What do I do if I need to collect my child early for an appointment?

You will need to leave a voice mail on the attendance line or text the absence number. They will need the students name, year group and reason for early collection. Students will need to be aware of the time they must leave lesson to go sign out.
