06/02/23

Dear [RecipientTitle] [RecipientSurname] ,

Come along to the biggest careers fair in the area

The Angmering School is at the forefront of Careers Education Advice and Guidance as demonstrated through our success in achieving all Gatsby benchmarks and our national NEON award for widening participation in higher education. To showcase all of the amazing opportunities for students and to highlight National Careers Week, we are hosting a Careers Fair at the school on Thursday 9th March 2023. The event is open to Angmering students only from 1.30-3.15 and will also welcome the wider community from 3.45 - 7.15pm.

We are excited to be welcoming over 70 employers and training providers for this incredible event, all of whom have engaged with the school over the past few years demonstrating our strong pathways for students to empower their future. Representatives from all of our local Colleges and Universities have been invited including Plumpton, Brinsbury, Chichester, Worthing, Northbrook MET, Bath, UCFB Wembley, UCA, University of Law, Chichester, Portsmouth and Solent University.

There will also be a number of apprenticeship providers present including SIGTA, Steve Willis Training, The National Horseracing College, The School for Nursing and Allied Health, Rewards Training, Arun District Council and The Ministry of Defence.

All of the Armed forces will be present along with representatives from NHS, Police, Fire Service and Western Sussex Hospital.

A vast number of local employers will also be present showcasing many different sectors of employment including Hairdressing, Construction, Childcare, Engineering, Travel and Tourism, Insurance, Law, Health and Fitness, Media/Design, Photography, Music, Animation and many more.
