Children in Need

Students can choose to wear something spotty to school on Friday 15th November to show their support:

- Normal school uniform must also be worn with the following possible exceptions:
- Wearing a spotty tie in place of your school tie
- Wearing spotty socks in place of school socks
- Wearing a spotty scarf over your uniform
- Wearing a spotty shirt (with collar) in place of your school shirt

Honouring Student Commitment to Community Services

We are proud to support our students who will be taking part in important events this Sunday as members of Scouts, Cadets, Guides, and similar community organisations. We understand the value and significance of this day for them, as well as for the veterans and community members involved.

To recognise their dedication, we are inviting these students to wear their uniforms to school on Monday. This will allow them to mark their commitment and show pride in the groups they represent.

Please note that Monday is not a non-uniform day, so all other students will be expected to wear standard school uniform.

Thank you for joining us in celebrating the commitment of our students to these meaningful services.

Year 11 Mock Exams

All Year 11 students will be taking a series of Mock Exams between 11th and 22nd November. These will all be within normal school hours and there will be no 'study leave' for these exams. Students will attend their normal timetabled lessons when they are not in exams. The exams are a vital part of their preparations for GCSE and BTEC exams next Summer as they will provide students and staff with a clear idea of where their knowledge is secure and where additional support may be required.

Year 11 will need:

- At least 2 black ball point pens
- At least 2 pencils and a pencil sharpener
- A ruler
- A scientific calculator
- A protractor and set of compasses

A clear plastic bag or pencil case to hold their equipment for exams
All students have been provided with a personalised timetable for the mock exams. If there are any issues with their timetable please contact the Exams Officer, Mrs Brown, via dbrown@theangmeringschool.co.uk

Career of the Week : **Police Officer**

From April 2024, new police constable recruits have four ways of entering policing and learning to carry out their role. These are: Police Constable Degree Apprenticeship (PCDA), Degree Holders' Entry Programme (DHEP), Degree in Professional Policing (PPD) or Police Constable Entry Programme (PCEP)

The curriculum and standards for all four routes are set by the national professional body for policing – The College of Policing. You can find out more about these routes, and which forces are currently recruiting by visiting the Join the Police website.

As a Police Officer you will : respond to calls for help from the public, investigate crimes and offences, interview suspects and make arrests, give evidence in court, control traffic and crowds at large public events and gatherings, advise the public on personal safety and crime prevention and promote respect for people in relation to their race, diversity and human rights

If you're aged 13 to 18 you could become a police cadet.
