Wednesday 20th November

- Y13 Pallant House Trip
- Year 11 Mock Exams

Thursday 21st November

- Year 11 Mock Exams

Friday 22nd November

- Year 11 Mock Exams

Year 7 Girls Basketball

A massive congratulations to our Year 7 girls basketball team for an incredible performance in their first league game on November 13th against St Andrews! 🏀🎉

After a challenging start where we went three baskets down, the girls quickly turned things around, showing amazing teamwork, skill, and determination. They fought hard and secured a fantastic win with a final score of 38-20! I couldn't be prouder of each and every one of you!

A special shoutout to our Player of the Match, Bella C, as voted by the opposing team. Well done, Bella! 🌟

If you're interested in joining the fun, Year 7 girls basketball club meets every Monday from 3:15 to 4:15 PM at the changing rooms. Don't forget, KS3 girls basketball is on Wednesday lunchtimes in the sportshall. We'd love to see more of you there!

Angmering Adventurous Readers' Club

Join the Angmering Adventurous Readers' Club and dive into epic stories with friends who love books as much as you do! Every week, we share thrilling reads full of twists, magic, and mysteries—perfect for young explorers like YOU. Whether you're a page-turning pro or just getting started, there's always something new to discover. Plus, you'll have the chance to vote on books, win prizes, and chat with other young readers! Ready for an adventure? Sign up in the Library today and let's turn the page together!

Year 11 Student given National Award

RLSS UK patron Lord Storey presented Tassia Wormald with a Certificate of Merit, recognising her outstanding contribution to the Littlehampton club's outreach programme.

Student Bulletin Week 11

Year 11 Mock Exam Reminders

Essential Exam Equipment

To avoid any last-minute issues, please make sure you have:

- More than one black pen (in case one runs out)
- Pencil, eraser, and sharpener
- 30 cm ruler
- Scientific calculator (for calculator-allowed papers)
- Protractor and compasses
- A clear, unlabelled water bottle (as we aren't able to provide water)
- A clear pencil case for their equipment
- Your exam card

Important Exam Rules

The exam boards take these rules very seriously, and being disqualified from one exam may result in disqualification from all exams. We certainly don't want all your hard work sabotaged by silly and unnecessary mistakes.

- **Possession of Unauthorised Materials:** Students must not have any unauthorised items, such as mobile phones, smartwatches, watches, airpods/earphones or notes, in the exam room. If they bring such items, they should be placed in the tray provided. Just having an unauthorised item, even in their school bag, can result in disqualification.
- **Talking or Disruptive Behaviour:** Any talking, attempts to communicate, or disruptive behaviour during the exam is prohibited. This includes making noises to gain attention, which may result in disqualification, as it disrupts the fairness of the exam.
- **Leaving the Exam Room Without Permission:** Students must remain in the exam room for the required time unless they are given permission by an invigilator. Leaving the room unsupervised is considered a breach of exam regulations.
- **Misuse of Exam Papers or Materials:** Writing inappropriate or offensive material, doodling on the exam paper, or attempting to remove any materials from the exam room can lead to disqualification.

[Year 8 Clubs](#)

[Year 9 Clubs](#)

[Year 10 Clubs](#)

[Year 11 Clubs](#)

Please note that : ART CLUB IS FULL! Please email Miss Seymour-Brady to be added to the waitlist.

Career of the Week : **Architect**

To become an architect, you'll need to complete: a degree recognised by the [Architects Registration Board](#) (ARB), a year of practical work experience, a further 2 years' full-time university course like BArch, Diploma, MArch, a year of practical training and a final qualifying exam

You'll need a portfolio when you are interviewed for degree courses. Course providers will want to see a portfolio that includes hand drawn sketches, photographs and models.

As an architect you will create hand sketches, 3D models and technical plans using computer aided design (CAD) software, create a plan that follows building laws, safety regulations and is within budget, manage construction projects, choose materials and visit sites to check on progress, write reports and job proposals and complete planning applications and communicate and share ideas with clients, other architects and architectural technologists and technicians

If you would like more information contact Mr Bowles (gbowles@theangmeringschool.co.uk)

Rolls Royce Opportunity

Join us for an amazing Insight Day at Rolls-Royce Motor Cars on 29th November 2024

- Are you currently in Year 10 or 11?
- Are you interested in applying for one of the most respected and prestigious Apprenticeship schemes of its kind in the country?
- Do you want to find out more about opportunities at Rolls-Royce Motor Cars near you?

Rolls-Royce Motor Cars and the Engineering Development Trust are hosting an exclusive Insight Day on 29th November. You'll get a chance to learn more about the apprenticeships that they offer, speak to current apprentices and find out how to increase your chances of being successful in an apprenticeship application.

Rolls-Royce have apprenticeship opportunities in a range of areas, not just STEAM (science, technology, engineering, arts and mathematics). Examples of opportunities include in the Interior Trim Centre, Technical Assembly, Sewing, Interior Surface Centre and Robot Operations, Logistics, Milling Machining, Exterior Surface Centre and Assembly Test & Finish, Commercial and Administrative roles

Rolls-Royce Apprenticeships are suitable for people with a wide range of prior experience, interests and educational backgrounds. Come and join us for the day to find out if this could be the right route into your future career.

The event will be held on 29th November at the Training Academy, Rolls-Royce Technology and Logistics Centre, Bognor Regis, PO22 9FJ with lunch and refreshments provided.

Limited places available - apply now!
