Dear Parents/Guardians

Re: Goodwood Festival of Speed - Thursday 13th July 2023, 7.30am-6.30pm

As part of curriculum enrichment, and in line with STEM education for all young people, the **Science Team** is offering Year **9 and 10** students a **day** trip to **Goodwood Festival of Speed on Thursday 13th July 2023, 730am-630pm.**

Details of the trip.

The cost of the trip, based on a party of **74** students, is **£50.00**

The price includes: Coach Travel and ticket entry for the day

Return to school by approximately 6:30pm

Not included in the price is the cost of lunchtime snacks. Please ensure your child has a packed lunch and or money for refreshments.

Dress for the event, your child will need to wear their navy blue PE top and comfortable clothing and footwear, bearing in mind the weather on the day.

Covid guidance:

Should there be changes in government guidelines which results in a trip having to be cancelled as has happened previously during the pandemic, we are no longer able to claim on WSCC insurance for any loss. For this reason we are now only booking trips where the company providing the trip offers a robust cancellation/refund system in respect of Covid cancellations.

At the time of writing there are currently no Government Covid restrictions that may apply to this trip. However, as the Covid 19 situation may change, we will have to follow the Government guidance in place at the time of the trip. This may also include specific requirements that the Festival of Speed has at that time.

Therefore it is necessary to point out that should your child be unwell at the time of the trip or is unable to take part in the trip due to Covid 19 restrictions that affects them, then unless we are able to find a student to take your child's place, you will not receive a refund for the place you have booked.

To register your child's interest in this trip please complete the google form here [Reply form](#) by **9am Monday 28 November 2022.**

If we receive more than **74** applications, places will be allocated by ballot. A list of students who have been unsuccessful will be kept and, if places subsequently become available, they will be again allocated by ballot.

You will be advised if your son/daughter is successful by **Monday 5 December 2022.** Please do not try to pay for the trip on parent pay until you have confirmation from us that your child has a place.

The balance of the trip will be payable by **Monday 6 June 2023 .**

We must tell you that, as the school could not bear any of the costs of the trip without reducing its ability to provide the books and materials that are essential for its curricular needs, the trip cannot take place unless all parents who are able to are willing to contribute. If you would like your son/daughter to participate, but are unable to contribute the full amount please contact me in confidence, in writing, by **Monday 28 November.**

Students are expected to abide by our School's Code of Conduct for trips, a copy of which is attached. Any students found not to be adhering to the Code of Conduct, could jeopardise their place on the trip and participation in future trips.

Please do not hesitate to contact me if you have any questions.

Yours sincerely
