Key Stage 4 Science Revision Guides 2022/23

Dear Parent/Guardian,

The Science department is offering an opportunity to purchase reduced price **revision guides** for students studying the GCSE Science course.

We have selected the range of guides from CGP as they have specific books that cover the syllabus content for the exams set on each of the courses. The entire course is explained clearly and concisely, with brilliant coverage of all the new Required Practical Activities, maths skills and advice on Working Scientifically. What's more, a **free Online Edition** of the whole book is included – a unique code with each book allows the e-version to be accessed on PC, Mac or tablet.

Combined Science Students will require one revision guide that will cover the whole syllabus for both years 10 and Year 11. The combined guide costs **£6.10** (RRP £9.95).

Triple Science Students will require separate revision guides for Chemistry, Physics and Biology that cover the whole syllabus of Years 10 and Year 11. The total cost is **£9.60 for all three books** (RRP £17.85).

There is also the option to buy a knowledge and retrieval bundle that provide excellent practice tasks, key points and exam style questions to test students on what they've learned and step by step solutions to check their work. The cost of the bundle is **£7.10** for combined students and **£12.15** for the triple students.

If you are in doubt as to which Revision Guide to purchase, please ask your child to seek clarification **before** paying for the guides.

Payment is required with your order via **parent pay**, which can be accessed via the homepage on the school website. Please note that we are unable to accept cash payments for books in the science department, therefore if you have problems accessing and paying via the parent pay website, please contact the school on 01903 778367. These prices include Parentpay charges. If you are unable to contribute the full amount, please contact me in confidence by 7 October 2022 : rcross@theangmeringschool.co.uk

GCSE Revision Guides can be collected from S2 before START or after Period 5 each day. We will need to see the parent pay receipt, either printed or as a screen shot on a phone.

Yours sincerely,

Miss R Cross
KS4 Science Coordinator
