

PS294/24-25/SLI/SMO

Tuesday 28 January 2025

Dear Parents/Carers,

The Angmering School - Stagecoach route changes 2025.

We have been notified that Stagecoach are proposing changes to their routes and timetables this term. The proposals could potentially affect children who rely on the public buses to get to school. Details of the proposals, and an option to provide feedback, can be found by following the link below:

[Proposed changes to buses](#)

We would advise any concerned parents/carers to check the proposals and complete the feedback form (or contact Stagecoach directly).

Many thanks,

The Angmering School
