Dear Parents/Guardians

Year 9 Legoland, Windsor 'Science of Roller Coasters' Science Trip 21st March 2023

The Science Department is offering Year 9 students a day trip to Legoland, Windsor, Tuesday 21st March 2023.

The cost of the trip, £25.94 per student

The tour price includes:

Return travel by coach – Depart at 8am – arrive back at 6pm

Entry into the park

Science roller coasters workshop

Not included in the price is the cost of lunchtime snacks

Should there be changes in government guidelines which results in a trip having to be cancelled as has happened previously during the pandemic, we are no longer able to claim on WSCC insurance for any loss. For this reason we are now only booking trips where the company providing the trip offers a robust cancellation/refund system in respect of Covid cancellations.

At the time of writing there are currently no Government Covid restrictions that may apply to this trip. However, as the Covid 19 situation may change, we will have to follow the Government guidance in place at the time of the trip. This may also include specific requirements that Legoland has at that time.

Therefore it is necessary to point out that should your child be unwell at the time of the trip or is unable to take part in the trip due to Covid 19 restrictions that affects them, then unless we are able to find a student to take your child's place, you will not receive a refund for the place you have booked.

Students are expected to abide by our School's Code of Conduct for trips, a copy of which is attached. Any students found not to be adhering to the Code of Conduct, could jeopardise their place on the trip and participation in future trips.

To register your child's interest in this trip please complete the google reply [here](#) Friday 16th December 2022.

If the trip goes ahead the cost of the trip will be payable by **10th February 2023**.

Depending on the response that we receive, we will then decide if the trip is viable to run. If so it will be formally offered to students to apply for a place.

Please do not hesitate to contact me if you have any questions.

Yours sincerely

N. McLellan
