

Dear Parents/Guardians,

We are delighted to be back teaching music at Angmering School and are all set to welcome aboard anyone who wants to learn how to play the piano/keyboard or how to sing!

I'm sure you might be aware that music has many benefits for children. Learning an instrument can improve concentration, memory, co-ordination, develop our language and mathematic skills as well as being great for mental health - it literally makes us feel good!

The start of year is a great time to take up instrumental/singing lessons and we are offering piano/keyboard and singing lessons to all pupils at the school There is the option to learn:

- Piano/keyboard – Zoe Lui
- Singing/piano – Adriana Krzak

Our teachers are qualified and experienced professional musicians whose primary aim is to create lessons that are fun, engaging and inspire students to learn and get involved in music.

We are offering one free lesson with the first booking, which means you'll get 5 lessons for the price of 4. Music lessons can be taught in small groups, pairs or individually; they are booked and paid in advance and taught during the school day on a rotating timetable so that students don't miss the same class lessons.

- **Individual lessons: £13** (20 minutes) **£17** (30 minutes)
- **Paired lessons: £9.50** (30 minutes)
- **Small group lessons: £8.50** (30 minutes)
