

PS3388/22-23

Dear all

I hope you have had a good week.

This is the link to last Friday's [email](#) from Mr Liley.

I hope you enjoy today's newsletter [Issue 9](#). This week has information on our revised induction day next Wednesday and details of our Empowerment Curriculum.

We look forward to seeing all the students next Wednesday. Don't forget they are to wear their PE kit and to bring a packed lunch with a bottle of water. We are a water only site. Please check this week's newsletter for all the information you will need.

In order to plan timetables for September, we would like some feedback on language preferences from our Y6 parents/students. [This is a link](#) to a survey which is purely to give us an idea of preference and student numbers. Your response will not mean this is the guaranteed language your child will study. Languages cannot be changed further down the line.

My usual reminder to the parents/carers who have received chasing emails regarding supplying the copy birth certificates/passports, copy council tax and accepting the school place.

Please ensure you have given the consents requested on the MCAS app for students i.e. biometrics and images etc. I sent out an individual chase email this week to remind the parents/carers who have not logged on and given consent. I added screen shots to help you. Please note your child will not be able to use the canteen or have their school photo taken in September if you do not log on and give consent. If you have any worries about consent please do contact me. If it is a logon issue please do contact our IT department on mcas@theangmeringschool.co.uk.

As always if you have any queries, please do let me know.

Best wishes

Fiona
