

PS416/23-24/HKN/LDE

3rd July 20204

Good Afternoon,

We are really looking forward to inviting you to the Angmering Sixth Form taster days. Students on the A side will be having their taster day on Monday 15th July and B side will have their day on Tuesday 16th July.

During the day, we want to give you the opportunity to experience Sixth Form teaching in a variety of subjects - some of which will be a continuation of your GCSE studies and some will be completely new to you. You can find out a bit more about the courses on the Angmering Sixth Form website: <https://www.angmeringschool.co.uk/sixth-form/courses/>

You will be experiencing 5 lessons during the day and we will aim to ensure everyone gets to try their top 3 choices. You have a short turn around to complete the preferences form to enable the timetables to be put together so please ensure it is completed by 9am **Friday 5th July**. A link to the google form is here: [Angmering Sixth Form Taster Day Preferences](#)

During the day, some students who may be looking at Level 2 courses at college, applying for apprenticeships or those who might be interested in an Oxbridge or Medical pathway will be invited to attend a 'Future Ready' workshop where they will find out more about these options.

Students will be able to wear non-school uniform on the day but this should be suitable for school and in line with the Sixth Form dress code so should not be shorts or skirts shorter than mid-thigh length and should not include sheer fabric.

During the day, you will have access to the Common Room at break and lunchtime and the Sixth Form snack bar will be open where there is a variety of snacks and drinks to buy using cash or card. If you want to access hot food, you will be able to use the canteen at break and lunch as normal.

We are really excited about welcoming you for your first taste of Angmering Sixth Form. Please ask your tutors, Mrs Hook or myself if you have any questions.

Mrs Knox

Leader of Sixth Form from September 2024
