07 June 2022

Dear parent / guardian,

As you might be aware a requirement of the RSL music practitioners course is the external live music performance module. This unit requires students to set up and perform a given set in a live situation.

To aid students in preparation for this module we have organised 2 events to aid in their preparation for this module.

The 18th June we are running music performance events from 10am to 1pm in F block as part of the Angmering Calling Festival which will give students the opportunity to perform in a semi formal environment.

Then on the 23rd June students have their formal assessment performance for this year in the school hall from 18.30 onwards, which parents and guardians are welcome to come and watch. The performances will be filmed and recorded for students to analyse.

In preparation for this it is expected that students commit to regular practice and weekly rehearsals in addition to their normal lesson schedule in preparation for this recording. School uniform is not a requirement for these events.

Please complete the attached slip to confirm that you are happy for your son/daughter to take part in these performances. Please return to Mr Godsmark or Mrs Crocker in the music department..

Yours sincerely,

Mr Godsmark
