Dear parents/carers and students,

NHS Survey

The NHS within Sussex has asked us to share the link to a survey with you. They are inviting parents and carers, and young people, to tell them about their experiences of accessing routine mental health and wellbeing services in Sussex for children and young people (CYP).

[Young people and parents and carers have told them](#) that services need to be easier to access, and they want to understand what would help to improve this.

If you have any experience of accessing mental health and wellbeing services through the NHS in Sussex they would be grateful if you could complete the survey below:

Year 9 Options process

All Y9 parents and students will now have received an electronic version of the KS4 Guide 2023 for you to look at prior to choosing KS4 options in February. The guide, together with an explanatory video and videos from each subject area can be found [here](#). Please remember that you have an Options Information Evening on Thursday 2nd February (one day after original planned date, to mitigate for the planned strike). This change of date will mean that the form for students to select options will be also be sent to them a day later on Friday 3rd February and close a day later on Thursday 9th February. We hope all of these events and materials will prove useful to help inform your final decisions over what to study at Key Stage 4.

School Year Group Photo Proofs

Y7, Y11 and Sixth Form year group photo proofs are now in school and will be coming home via students. The deadline to order is Tuesday 31 January. All orders are online. The photos will be in school 2-3 weeks after the closing date.
