Dear parents/carers and students,

Ofsted Report

We were delighted this week to share the brand new Ofsted report with you, this replaces the previous Section 5 report from 2019 and updates all of our grades. The link to the report is [here](#).

The headline grades are:

The quality of education	Good
Behaviour and attitudes	Good
Personal development	Good
Leadership and management	Good
Sixth-form provision	Good

We are obviously delighted that the grades provide an updated and more accurate reflection of the high quality work which staff do with and for students every day. We are now planning to build on this very positive platform. Thanks to those of you who were kind enough to send your congratulations to staff following the publication of the report.

Students Chloe Butterworth, Charlie Ricks, Issy Neal, Lottie Goble, Delilah Scott and Francky Yeardeley celebrating the good news with me!

Angmering Parish Council want to hear your views

If you live within the parish of Angmering and would like to have a say in the ways which the parish council prioritise their spending please take a few minutes to complete this [survey](#). The information which is provided by parishioners is vital in supporting the direction of the council.

School trips - no last minute additions allowed

On a couple of recent school trips we have received requests from parents/carers to allow their children to join the trip on the morning of departure, having not previously enrolled on the trip. We cannot allow such last minute additions to trips as we need to have all medical information, contact information and parent/carer permissions signed off in writing before adding a child to the trip list. This all needs to be logged to ensure that students are safe and well cared for on the trip. We appreciate your support in this.

West Sussex 'Here to help' site

We have been asked to make all of our families aware that West Sussex County Council has set aside some funding this year to support families who are struggling with the **cost of living**. Details of the support available can be found on their website [here](#). Alternatively you can call 0330 222 7980 to speak to someone about what they can offer.

Benefit Related Free School Meals

A reminder that your child may be eligible for benefits related Free School Meals. Once an eligible child is signed up for 'benefits related Free School Meals', they will also receive other support such as Holiday Activity and Food (HAF) sessions. HAF sessions provide children with access to fun and engaging activities during the holidays and offer a free meal as part of the sessions. You can use the following [website](#) to check the eligibility criteria and apply for a benefit related free school meal. If you have queries you can email fsm@westsussex.gov.uk or Tel:0330 222 5555 . If you do receive Benefit Related Free School Meals then we will receive a pupil premium grant to support your child's education in school.
