### CAREER OF THE WEEK

# Mechanic

**Motor mechanics repair and service cars and vans.**

**You can get into this job through:**

- a college course
- an apprenticeship

**Career Progression**

With experience, you could:

- become a senior technician, workshop supervisor, garage manager or MOT tester
- become a motor vehicle breakdown engineer, or specialise in an area such as motorsport engineering
- work on electric and hybrid cars or specialise in modifying vehicles
- set up your own business, train apprentices or become a further education teacher

#### COLLEGE COURSE

You could take a college course before applying for a trainee motor mechanic role with a garage.

Relevant courses include:

- Level 2 Diploma in Light Vehicle Maintenance and Repair Competence
- Level 3 Diploma in Light Vehicle Maintenance
- T Level in Maintenance, Installation and Repair for Engineering and Manufacturing

You could specialise in hybrid and electrical vehicles by doing a course like:

- Level 3 Diploma in Auto-Electrical and Mobile Electrical Operations
- Level 3 Award in Electric/Hybrid Vehicle System Repair and Replacement

#### APPRENTICESHIP

You could do an advanced motor vehicle service and maintenance technician apprenticeship.

This will usually take 2 to 3 years. You'll do on-the-job training and spend time at a college or training provider.

**Day to day tasks**

Day to day, you could:

- find and diagnose faults using hand tools or a computer
- advise customers on what repairs are needed, including cost
- repair or replace faulty parts and carry out regular maintenance
- test vehicles on the road to check repairs
- check stock levels and update vehicle service records
- work with high voltage batteries if you work on hybrid or electric vehicles

If you would like more information contact Mr Bowles ([gbowles@theangmeringschool.co.uk](mailto:gbowles@theangmeringschool.co.uk))

## Riddle TIME

You walk into a room that contains an oil lamp, a candle, a match and a fireplace.

What would you light first?

Answer: The Match

## BRAMLEY GREEN 'EXIT' BUTTON

We have had an 'exit' button fitted by the Bramley Green entrance/exit gate.

This is on a timer and will only work between 3:15 and 4:30. It has been installed to allow us to close the gate at 3:30 but still allow students who have attended clubs or catch up sessions to leave by that route. Please do not try to press it during the school day as it will not work.

The 'card reader' will continue to work for staff and sixth form students throughout the day and after school.

## YEAR 11 LEAVERS HOODIES & YEARBOOKS

Don't forget, there is still time to order your leavers hoodies and yearbooks.

For more info please see Mrs Hook
