Word of the Week

This week's word of the week or prefix is **anti**. **Anti means to oppose or be against something.** Can you think of words with anti in them or put anti into a sentence? Try it with the person beside you and get your tutor to award you credits for doing so. Please also aim to use these in your written or verbal in school.

Welcome Back!

Welcome back! And for all new year 7 students, welcome to the Angmering school. I hope you had a wonderful summer break and are now ready for a new year of learning. As you may notice, the bulletin has changed and will now be sent weekly instead of daily. Please keep in mind that the **5th of September is a day for year 7 only**, and **all other years will begin school on the 6th**. Best of luck for the new academic year!

Non-Blazer Week

Due to the high temperatures predicted over the course of this week, students will not be expected to wear a blazer until Monday 11th September.

International Literacy Day

Friday 8th September 2023

International Literacy Day takes place on September 8 every year to raise awareness and concern for literacy problems that exist within our own local communities as well as globally. International Literacy Day was founded by proclamation of The United Nations Educational, Scientific and Cultural Organization, or UNESCO, in 1966 “to remind the public of the importance of literacy as a matter of dignity and human rights.”

Literacy is a blessing often taken for granted. Reading is essential in our daily lives. Navigating through the world without being able to read or write is challenging and is a blockade for experiencing so many things.
