Career of the Week : Teacher

To get into teaching you can do an undergraduate degree that leads to qualified teacher status (QTS), for example: Bachelor of Education (BEd), Bachelor of Arts (BA) with QTS or Bachelor of Science (BSc) with QTS. You'll usually need: 4 or 5 GCSEs at grades 9 to 4 (A* to C), or equivalent, including English and maths, 2 to 3 A levels, or equivalent, for a degree and a degree in any subject for a postgraduate course.

A teacher would usually undertake these duties: prepare teaching materials, set up the classroom and organise displays, plan and teach lessons and work with small groups of students, mark work and talk to parents and carers about their children's progress, follow safeguarding procedures and work with careers advisers, counsellors, education psychologists and social workers, organise trips, after school clubs or exam revision classes and work and attend meetings and training outside of usual working hours.
