Word of the Week

This week's word of the week is **cosm** meaning universe, world, order. Examples include micro**cosm**, a community, place, or situation regarded as encapsulating in miniature the characteristics of something much larger.

Cosmology the science of the origin and development of the universe.

World Book Day

World Book Day takes place on Thursday but we are celebrating all week!

Tutors will give everyone a £1 book token to spend in high street bookshops but on Monday at break and lunchtime we have an exclusive bookshop running in the Library where Year 7s can swap their tokens for one of the special WBD books produced this year. Any books left over will be made available for older year groups to exchange for their £1 tokens throughout the rest of the week.

From Tuesday onwards you can come and try your hand at our new Library treasure hunt or have a go at the new games on our library app. All of our library club activities this week will have a book-related theme.

On Friday we are hosting the first in a series of inter-school Chess Tournaments in the afternoon, and the Library will be closed during lunchtime except for students representing our school.
