

# The Angmering School Student Bulletin Week 4

## TIMETABLE : WEEK 2

### Monday 23rd September

- 

### Tuesday 24th September

- 

### Wednesday 25th September

- Open Evening (Students finish at 1:35pm)

### Thursday 26th September

- 

### Friday 27th September

- 

### Early School Closure

Due to the need to set up for the Open Evening, students will be **finishing their school day at 13:35** on Wednesday 25th September. The WSCC school buses will collect at this earlier time on this day.

### Dance Opportunities:

**Year 7 Dance Club** - open to all year 7's. This will start on Monday 30th September from 3.15-4.15pm.

**Verve Dance Auditions** - Everyone is welcome to come along and audition for our Verve Dance group. Wednesday 25th September from 5-6pm (during open evening)

### Open Evening - Help Needed!

Year 9 and KS4 Students, we need your help! We still need more volunteers to help out with tours on Open Evening (25th September) if you can spare 1 hour from 5:30pm please email [ewedgwood@theangmeringschool.co.uk](mailto:ewedgwood@theangmeringschool.co.uk)

If you are already helping in a department, please may you email the above address as you will be asked to spare us an hour of your department time.

### CERN Geneva Trip - February 2025

We have a space available on the CERN Trip. Details for the trip can be found here. Please contact Miss McLellan if you are interested. [nmclellan@theangmeringschool.co.uk](mailto:nmclellan@theangmeringschool.co.uk)

# The Angmering School - Student Bulletin Week 4

## Career of the Week : **Dentist**

To become a dentist you'll need to complete a 5-year degree in dentistry approved by the General Dental Council, followed by 1 to 2 years of postgraduate dental training. When you apply for a dentistry course, you could be asked to take the University Clinical Aptitude Test (UCAT) or BioMedical Admissions Test (BMAT).

**You'll usually need: 3 A levels, or equivalent, including biology and chemistry to undertake a university course to progress into dentistry.**

**A Dentist will undertake these duties : lead a dental team to diagnose and treat dental problems, see patients for routine check ups, perform treatments like fillings, extractions and fitting dentures and bridges, take X-rays and give local anaesthetics.**

**“Dentists are the frontline of good oral health. They work with communities to prevent and treat dental/oral disease, correct dental irregularities and treat dental/facial injuries.”**

**If you would like more information contact Mr Bowles ([gbowles@theangmeringschool.co.uk](mailto:gbowles@theangmeringschool.co.uk))**

## Club of the Week

Drama Productions!

Create amazing whole school performances for Christmas and Summer. Meet students from all ages across the school, challenge yourself and have fun with your friends! Open to all ages and all abilities. See you there!
