Half Term

Students will be off school between Monday 28th October - Friday 1st November. All students will return to school as normal on Monday 4th November.

Just Keep Reading!

There's an under-water theme to this year's inter-tutor reading race.

Already students have started taking Accelerated Reader quizzes on the books they have read.

Can your tutor group's fish avoid all the predators and reach the safety of the coral reef?

Remember: the top three quizzing tutor groups at the end of the summer term will win a pizza party.

Last chance to enter the Library treasure hunt!

There are ten pictures of things that live under the sea hidden around the Library.

Find them all and fill out the form by lunchtime on Wednesday 23rd.

One winner will be selected from all the correct entries to win a yummy prize.

Career of the Week : **Cover Supervisor**

To become a cover supervisor, having a minimum of a grade 4 in Maths and English is essential because these qualifications demonstrate a foundational level of literacy and numeracy. Proficiency in English is crucial for effectively communicating with students, understanding and conveying instructions, and assisting with coursework.

A cover supervisor in a secondary school plays a critical role in ensuring that students continue to receive quality education in the absence of their regular teachers. Their key responsibilities include supervising classes during teachers' absence, maintaining order, and engaging students in planned activities or assignments. They are also responsible for managing classroom behavior, ensuring that students remain focused on their tasks, and providing support as needed. Additionally, cover supervisors may be tasked with reporting any issues to the appropriate staff and helping to maintain a positive learning environment that fosters student engagement and respect.
