

17 June 2022

PS250/22

Dear parents/carers and students,

Rail disruption on Tuesday 21st and Thursday 23rd June

Due to a national strike of Network Rail workers we are expecting significant disruption to rail services on Tuesday and Thursday next week. Although there is a chance that the strike will be called off at the last minute we would urge all families whose children use trains to get to school to find alternative arrangements for these two days.

Our Careers Department Needs You!

We are excitedly preparing for our next **Angmering School Careers Fair** which will be held on **Thursday March 9th 2023**

The Angmering School has recently been awarded **The National NEON Widening Access Award** for supporting students into Higher Education and has an exceptional reputation for the quality of our careers advice and guidance. Keen to showcase our good practice, we are inviting local companies and providers to our **Careers Fair** which will take place on **Thursday March 9th 2023**.

During our last Careers Fair in 2019, a number of parents commented that the companies they work for would appreciate the opportunity to take part at the next event. **If you work for a company or organisation that would like a stand at the most outstanding School Careers Fair in West Sussex we would like to hear from you.**

For further information or to request a stand please contact Gavin Bowles, Careers and Enterprise Leader either by email gbowles@theangmeringschool.co.uk or contact him on his direct line 01903 778320.

Year 11 and Year 13 Exams

Our Year 11 and Year 13 students continue to impress with their behaviour in, and dedication to their final exams. Many thanks to all of those people who continue to support them at home during this important time. All of your efforts will be worth it!

End of year assessments for Year 7

We are now reaching the end of the period of assessments for Years 7-10, with Year 7 due to complete theirs next week. These are an important element in checking students'

progress and informing future planning for teachers. Years 10, 9 and 8 have now completed their assessments.

Assessments will be completed within normal lesson times, papers will then be marked and moderated by the subject teachers before students are given feedback.

Year 6 Transition

Mr Jenner and the rest of the staff really enjoyed meeting so many Year 6 pupils at the activity evening yesterday. We are now really looking forward to seeing all of our new Year 7 students for their Transition Day on Wednesday 6th July.

'Angmering Calling' - join us to celebrate creativity!

We are delighted to be a central part of this years 'Angmering Calling' festival, a celebration of creativity and performance in our local area. There are lots of great activities to get involved in, you can find details via our website [here](#). We would particularly like to invite you to come to the school on Saturday 18th June between 10 a.m and 3 p.m when a range of activities will be running.

News

We hope you enjoy our [news items](#) on the school website each week. This week the news included our excellent trip to see **SIX** the musical at the Mayflower Theatre, details of our Year 8 sports leaders and their work supporting various events and Skoolfest at the Worthing Pavilion.

Term Dates

Please view all of our [term dates and inset day information](#) on the school website.

End of term

Whilst it is a little way off yet it is worth reminding all students and parents/carers that the summer term for students will end on **Wednesday 20th July** this year (at 12:30). Thursday 21st July is an INSET day for staff. This is a change to the original schedule due to the Queen's Jubilee celebrations.

Many thanks for your continued support,

Simon Liley, Headteacher
