

Our ref: PS/127/22

24th January 2022

Dear all

Due to very high staff absences, we are regrettably forced to direct Year 10 students to work remotely (from home) on Tuesday 25th January. A different year group may need to work from home on Wednesday, we will make this decision as early as we can tomorrow.

Work will be set on Google Classroom and students should follow their normal school timetable. Some teachers may be able to run 'live' lessons on Google Meet, if they are able to do so they will inform the students directly. Any work produced remotely will be marked by the normal class teachers and feedback provided to students.

We thank you for your understanding and support.

Yours sincerely

Simon Liley
Headteacher
