

Dear parents/carers and students,

Year 11 GCSE Exams

As we complete the second week of the GCSE/BTEC exams I am delighted to report that the behaviour and conduct of Year 11 students continues to be excellent. They have focused well in lessons and we are proud of their continued hard work, good humour and application.

After the half term break Year 11 students will only be expected to attend school for exams. Normal lessons will not run. If students wish to continue to attend school (in order to revise away from distractions) we have arranged for supervised study rooms to be available to them. Details are available from the Year Team Leader or Student Support Officers.

End of year assessments for Years 7, 8, 9 and 10

As was outlined in the recent letter from Mr Whatford we are running end of year assessments for all students in years 7 to 10. These are an important element in checking students' progress and informing future planning for teachers. The assessment windows for each year group are:

- **Week 33** (23rd May) and **week 34** (6th June) for Year 9.
- **Week 35** (13th June) for Year 8.
- **Week 36** (20th June) for Year 7.

English, maths and science assessments for **Year 9** will take place in the exam halls but all other assessments will be completed within normal lesson times. Year 9 have made a really good start to their assessments, their conduct in the exam spaces has been excellent, particularly in view of the fact that this is their first time in such an environment.

Year 6 Transition

Miss Pegden, Mrs Knox and the other members of the Headship Team have really enjoyed meeting children and families for the initial online transition meetings. These are a great chance to find out more about the children in order to support their successful move. Mr Jenner is currently finalising the plans for the two Year 6 activity evenings (Tuesday 7th June and Thursday 16th June 5.30-7.30pm), details have been emailed out to families. You can book via our website. [Booking form](#). These are a great chance to start forming new friendships whilst having fun. We are really looking forward to seeing students there!

News

We hope you enjoy our [news items](#) on the school website each week. This week the news included a Jubilee "meringue pops" masterclass in food, dressage day at the Arundel Riding School, our LNC charity fundraising team at the Burpham and Wepham Fete, the LNC gardening project and the Parallel Youth Games. Please find details of [our tree](#) donated by Angmering Parish Council as part of the Jubilee Celebrations.

End of term

Whilst it is a little way off yet it is worth reminding all students and parents/carers that the summer term for students will end on **Wednesday 20th July** this year (at 12:30). Thursday 21st July is an INSET day for staff. This is a change to the original schedule due to the Queen's Jubilee celebrations.

I hope that you have a very pleasant half term break and enjoy the Queen's Platinum Jubilee celebrations. We will look forward to welcoming students back to school on **Monday 6th June**.

Many thanks for your continued support,

Simon Liley, Headteacher
