

7 January 2022

PS108/22

Dear Parents/Carers and students,

I am aware that I only wrote to you on Tuesday so will keep this week's missive as brief as possible.

Year 7, Year 11 & Sixth Form Year Group Photos - postponed

We had planned to have the school photographers in on Thursday 13th January but they have asked us to postpone this until Thursday 3rd March due to the current restrictions related to COVID. We will send you further details nearer the time.

Second dose COVID vaccinations

The School Age Immunisation Service (SAIS) from West Sussex have confirmed that they will be visiting Angmering on Monday 17th January to provide second doses to all students who had their first dose on 21st October 2021. You will receive a separate letter giving details of how to provide consent should you wish to do so. They are also offering first doses to eligible students who have not yet been vaccinated.

If you do provide consent then your child will be allocated a specific time to attend the vaccination hub on the 17th January. It is important that they take note of their time slot and arrive promptly for their vaccination. If you have any specific questions regarding the vaccinations please email imms@theangmeringschool.co.uk

COVID symptoms

The main symptoms of COVID are still considered to be a high temperature, new and continuous cough and loss (or change to) the senses of taste and smell. However new research suggests that the Omicron variant may also give sufferers the following symptoms: scratchy throat, sneezing, fatigue, loss of appetite and/or lower back pain. As many of these symptoms are also associated with winter colds (and other viral conditions) it is vital that we all continue to do our twice weekly Lateral Flow tests in order to reduce the risk of more widespread transmission.

The following **temporary** changes to the rules relating to COVID tests were also announced this week:

“From 11th January in England, people who receive positive lateral flow device (LFD) test results for coronavirus (COVID-19) will be required to self-isolate immediately and won't be required to take a confirmatory PCR test. This is a temporary measure while COVID-19 rates remain high across the UK”

Further details can be found [here](#).

Many thanks for your continued support and here's to a really positive term ahead,

Simon Liley, Headteacher
