

9 September 2022

Dear parents/carers and students,

Reflecting on the death of Her Majesty the Queen

Following the sad death of Queen Elizabeth II yesterday we will be allowing students to reflect in START this morning on her life and reign as our monarch. Our focus will be on her dedication, duty and commitment to our nation. We expect that schools will be invited to take part in national events during the official period of mourning next week and will keep students informed about this.

A very positive start to the New Year

It has been brilliant to welcome back our students after the summer break, they always bring such positive energy to the school and a smile to our faces. Our new Year 7 students seem to have settled in really well and are finding their feet (and their way around). My favourite quote from a new student this week was: "This is a really good school and the teachers are amazing!" It is always nice to get such positive feedback!

Eco-Schools Award

I am delighted to announce that just prior to the summer break we received the excellent news that our application to become an 'Eco-School' had been accepted. This was the result of a great deal of hard work from both students and staff who have been looking at all of the ways which we can reduce our impact on the environment. Details of the feedback from the awarding body can be found [here](#). Congratulations to all involved.

Thank you for your patience

We are obviously aware that there have been a number of teething problems with the introduction of the new school software management system, these have affected ParentPay and some group emails. We are very grateful for your patience and understanding whilst the company is working to solve these issues.

Sixth Form Open Evening - Thursday 22nd September from 4:30 pm

As you will doubtless be aware we are extremely proud of our excellent Sixth Form provision. The summer exam results once again placed it in the top 25% of colleges nationally for students' outcomes, reflecting the high quality teaching and support on offer. We would like to invite all interested students, parents or carers to our Sixth Form Open Evening on Thursday 22nd September when Mr Kerrison and the rest of the team will give you an insight into the academic and broader offer. This is obviously most relevant to Year 11 students but those in Years 9 and 10 may also wish to come along. The evening runs from 4:30 to 7:00 pm and is hosted in the Sixth Form block and F-block. Mr Kerrison will give a presentation in the Sixth Form at 5:00 pm and repeat this at 6:00 pm. We will look forward to seeing you there! [Angmering Sixth Form Website](#)

Main school Open Evening

On the evening of Thursday 6th October we will be opening our doors to prospective students and their parents/carers as we run our annual Open Evening. Doors open at 4:30 and I will be giving presentations in the Canteen at 5:00 and 6:00 pm. If you have friends in Year 6 (or with children in Year 6) please do encourage them to come along to find out more about what we offer. All our details are on [the school website](#).

Thanks for your continued support,

Simon Liley,
Headteacher
