

Friday 20th
September

Dear parents/carers and students,

We are currently looking for new Cover Supervisors to join our excellent team in school. The role of a Cover Supervisor is to organise and monitor the learning of students whose teacher is absent from work (normally due to illness or training). All of the work is provided by the teacher, along with any instructions for what the students should be completing and where any additional resources can be found. The Cover Supervisors uphold the same behaviour routines as teaching staff (lining students up for lessons, sitting them in designated seats, ensuring uniform is up to standard etc.) and can issue both rewards and sanctions as appropriate. No specialist subject knowledge is required and full training and induction are provided.

The role is term time only and can be offered on a part-time basis for suitable candidates. If you are interested in learning more or applying for the role please contact Cathy Wilson, Operations Manager or Helen McIntyre, HR Administrator, via recruitment@theangmeringschool.co.uk

'My Child At School (MCAS) App - your window into your child's school day

As many of you will already know we are now using BromCom in school to log every student's attendance, rewards and sanctions. If you have not already done so please ensure that you have the MCAS app installed on your phone/tablet/PC so that you can stay informed about how your child is doing in school. If you are not already set up and using the system please click here to [visit the school website](#) for further information and guidance.

We are now communicating all of the homework on the MCAS platform, this allows you to see what has been set for your child so that you can monitor their work at home. The completion of homework is tracked by the class teacher and they will add a 'C1' (consequence) to the MCAS system if any homework is not completed. Please do not worry if MCAS states that homework is '**not handed in**' as we are not using the MCAS system to track completion. If your child does not receive a 'C1' sanction you can assume that they are completing their homework to the required standard.

If you have any feedback on the new system we would be grateful to receive it through the usual email channels. Many thanks for your support.

Main School Open Evening

On the evening of **Wednesday 25th September** we will be opening our doors to prospective students and their parents/carers as we run our annual Open Evening. As we did last year we will be running a series of timed tours which visitors can book onto. Each subject area will show off a little of what they do as the tour parties pass through.

If you have friends with children in Years 5 or 6 please do direct them to the school [website](#) for further details, or contact our Resources Team on 01903 772351.

Due to the need to set up for the Open Evening, students will be finishing their school day at 13:35 on Wednesday 25th September. The WSCC school buses will collect at this earlier time on this day.

Please drive and park considerately when dropping off or picking up children

We have had a number of concerned residents contacting us since the start of term to ask that we remind parents/carers about the need to drive and park considerately when dropping off and picking up children. In particular we would ask that you avoid blocking driveways, which may prevent residents from entering or leaving their homes. Many thanks for your consideration.

Thanks for your continued support,

Simon Liley, Headteacher

Student and Community News

Sporting News

Another fantastic win for our Year 9 Football team as they secured their second victory in the district league! The team's hard work and dedication paid off with a well-deserved win against Durrington High School. Keep up the great work, team!

Student Bulletin

Every Monday we send the students a newsletter which includes important weekly events and notices, sports clubs, and celebrates their achievements. Please click here to see this weeks Bulletin.
