

Friday 6th
September

Dear parents/carers and students,

It has been brilliant to welcome back our students after the summer break, they always bring such positive energy to the school and a smile to our faces. Our new Year 7 students seem to have settled in really well and are finding their feet (and their way around). We are looking forward to getting to know them more as individuals as the term progresses.

The students' uniform and readiness to learn has been broadly excellent from the vast majority of students, which is excellent. Thanks to parents/carers for all of your support in getting them ready for the new term and for supporting us to maintain high standards for your children.

Main School Open Evening

On the evening of **Wednesday 25th September** we will be opening our doors to prospective students and their parents/carers as we run our annual Open Evening. As we did last year we will be running a series of timed tours which visitors can book onto. Each subject area will show off a little of what they do as the tour parties pass through.

If you have friends with children in Years 5 or 6 please do direct them to the school [website](#) for further details.

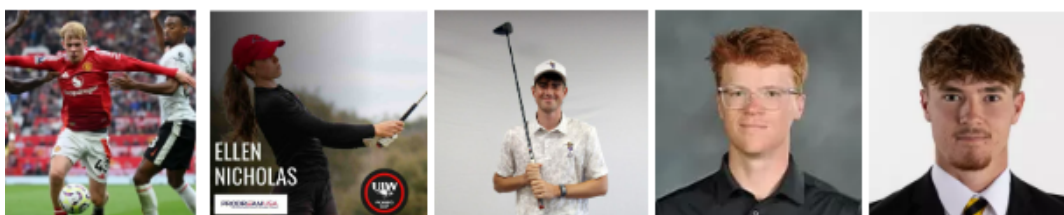

Due to the need to set up for the Open Evening, students will be finishing their school day at 13:35 on Wednesday 25th September. The WSCC school buses will collect at this earlier time on this day.

Sporting Alumni

As you will be aware we are extremely proud of our commitment to sport at Angmering and always happy to hear about past students who are continuing their journeys as athletes beyond their time with us. Over the summer we were delighted to hear about Toby Collyer making several appearances for the Manchester United men's first team (and playing really well too) and know that he is inspiring lots of our young sportspeople to continue to work hard towards their sporting ambitions.

We also had updates from Ellen Nicholas, Rhys Nicholas, Drew Sykes and Joe Sykes who all continue to work towards their dream to become professional golfers. Ellen is currently ranked 584 in the world rankings and Rhys, who made it through to the last 16 of the Welsh Men's Amateur Championships this summer, is ranked 2760 in the world. Drew has just started a degree on a golf scholarship in the USA and recently represented England at the European Young Masters and placed eighth; his brother Joe is also on a golf scholarship in the USA and finished the season with three top-10 finishes in college (university) competitions.

Huge congratulations to all five of these former students; we are really proud and excited to watch your careers progress!

Thanks for your continued support,

Simon Liley, Headteacher

Student and Community News

Fantastic first week for year 7

We are incredibly proud of our new Year 7 students as they complete their first week of secondary school. It has been truly inspiring to see how they have settled in and embraced the new challenges and opportunities that come with this transition. Miss Pegden, the Head of Year, has been absolutely amazing in her support of the students. Her dedication and guidance have played a crucial role in helping our new students feel welcome and confident as they navigate through this important milestone in their education. We are fortunate to have such a caring and skilled leader to guide our students through this exciting time.

Student Bulletin

Every Monday we send the students a newsletter which includes important weekly events and notices, sports clubs, and celebrates their achievements. Please click here to see this weeks Bulletin.
