Re: Year 8 Health Education

Dear Parent/Guardian,

Next term, after Easter, our Year 8s will study a health topic in science lessons.

The following topics will be covered:

- ◆ Relationships
- ◆ Puberty
- ◆ Nutrition
- ◆ Eating disorders
- ◆ Drugs
- ◆ Smoking

This programme will take place during the Summer term, after the Easter break. We expect all students to attend these lessons as they are part of the National Curriculum, however, if you require any further information regarding the programme please contact me as soon as possible.

Yours sincerely,

Miss L. Cox
Subject Leader Health
