Re: GCSE Fine Art Personal Project Sketchbooks

The Fine Art GCSE Personal Project will be starting on Monday 24th January 2022, and will run for 11 weeks until Easter break.

Students who purchased a pack at the start of year 10 have an A4 soft laminate sketchbook which can be used for this project. We will also be showing students a range of additional sketchbooks that are available to purchase through the school next week.

The books we stock are listed below with prices. Should you wish to purchase an additional sketchbook through school then please make payment through Parent Pay for the amount stated by **9am on Monday 24th January**. Should you require any assistance with the Parent Pay system please contact Dawn Dyson, our business manager.

Yours sincerely
