Dear Parents and Carers of Year 8 Students going into Year 9,

Re: Year 9 Information Evening – Tuesday 30th September, 5–6pm

We warmly invite you and your child to attend our **Year 9 Information Evening**, which will take place on **Tuesday 30th September from 5:00pm to 6:00pm**. This important event is for all Year 9 students and their parents or carers, as the information shared will be essential for success over the coming year.

The evening will be split into two parts:

- 5:00 - 5:30 - A **small, more personalised meeting with your child's tutor**, focusing on practical ways to support effective habits, routines, and academic focus day-to-day. Please go to your child's tutor room for this meeting.
- 5:30 - 6:00 - A **whole-cohort session in the canteen with senior leaders**, focusing on the high expectations and support in place as your child prepares for year 9 and their GCSE option choices.

As your child continues with their educational journey through secondary school, it is vital that they feel part of a **supportive and aspirational community**. This event will outline how we are working within a culture of **belonging, high expectations, and pride in learning**, underpinned by **quality first teaching** in every classroom.

You will also receive practical guidance on:

- Establishing strong routines around attendance, punctuality and equipment
- Using the student planner and Study Capture to support revision and organisation
- The role of tutors in academic mentoring and emotional wellbeing
- The importance of positive relationships and self-belief in academic success
- What students and families can do to create consistent learning habits at home

We are committed to ensuring that every student feels **valued, included, and challenged** — and this evening is a vital step in working together to achieve that.

Please confirm your attendance by completing [this Google Form](#) to let us know how many seats you require.

If you have any questions, please don't hesitate to contact the school office on 01903 772351 or via email at office@theangmeringschool.co.uk.

We look forward to seeing you there and to working together in support of your child's continued success.

Yours faithfully,

Martin Smith
