Should there be changes in government guidelines which results in a trip having to be cancelled, as has happened previously during the pandemic. Please kindly note we are no longer able to claim on WSCC insurance for any loss. For this reason we are now only booking trips where the company providing the trip offers a robust cancellation/refund system in respect of Covid cancellations.

At the time of writing there are currently no Government Covid restrictions that may apply to this trip. However, as the Covid 19 situation may change, we will have to follow the Government guidance in place, at the time of the trip. This may also include specific requirements that the venues and public transport have in place at that time.

Therefore it is necessary to point out that should your child be unwell at the time of the trip or is unable to take part in the trip due to Covid 19 restrictions that affects them and we are unable to find a student to fill your child's place, you will not receive a refund.

The trip can be paid for via parents pay, on receipt of payment this will secure your child's place.

The balance of the trip needs to be paid by **8th July 2022**

If you would like your son/daughter to participate, but are unable to contribute the full amount please contact me in confidence, in writing, by **8th July 2022**

Students are expected to wear school PE kit. Please ensure have the correct equipment for the weather ie. hat, suncream, raincoat. Students must abide by our School's Code of Conduct for trips, a copy of which is attached. Any students found not to be adhering to the Code of Conduct, could jeopardise their place on the trip and participation in future trips.

Students that do not wish to attend the school trip will stay on site with students from across all year groups to participate in a day full of fun activities.

Please do not hesitate to contact me if you have any questions.

Yours sincerely,
