19th January 2022

Dear Parent/Carer

Year 9 Consultation Evening Wednesday 2nd February 2022 - Online Appointment Booking.

I would like to invite you to attend our Year 9 Consultation Evening on Wednesday 2nd February from 3.30pm – 7.00pm. Appointments will be via video link using a system called School Cloud.

This is an important evening, which provides you with the opportunity to discuss your child's academic progress with their individual subject teachers in advance of their final key stage four option choices. Parents/carers usually find this an excellent opportunity to discuss progress and engagement in order to help inform decisions about these upcoming choices. It is an opportunity to find out how they can support their child at home in terms of work and organisation before they move into their GCSE years. We also hope that you will hear how hard your child has been working, giving you the opportunity to praise them and boost their confidence.

As with last year, we are using an easy to use online appointment booking system. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments. We have continued with this system after positive feedback from parents and carers last year and are confident this continues to be an improvement to the previous system, particularly under the current circumstances. We also welcome any feedback that you have on your experience and anything that we should consider going forwards.

Appointments may be made from **midday on Friday 21st January, until 11.00pm on Tuesday 1st February 2022.**

To book your appointment please click [here](#).

Yours sincerely,

Shaun Smith
Year 9 Team Leader
