Task to be completed:

August Drawing Challenge

A drawing can take any form from a quick pencil sketch to a piece of land art. Your challenge is to create 31 'drawings'- one for each day of August. You may get inspired and create more than one drawing in a day- it is up to you how you organise your time, and what your approach to this challenge looks like.

Be imaginative, be creative and most of all, have fun!

What you will need to submit:

You can submit drawings and photographs in a sketchbook if this seems appropriate. You may decide that your drawings work better kept separate, especially if they are large or unusual!

All tasks to be handed in during the first lesson of the subject in September
