Summer Challenges

Over the next 6 weeks, we wanted to set all of our new students a few challenges. These will be discussed in tutor times over the first few days and there will be some prizes for the students who get involved!

Challenge 1 - Extreme Reading!

Most extreme reader! We'd like to challenge you all to take a photo of yourself 'extreme reading' - which crazy places can you read a book in? Send Miss Pegden a photo on e-mail or via your google classroom and there will be prizes for the best extreme readers in September!

Challenge 2 - Be Brave!

Try something new for the first time! This can be anything from a new sport or hobby to trying cooking for the first time. Take a photo of yourself trying this new activity for the first time and email or put in the google classroom for us to see.

Challenge 3 - Random act of Kindness!

Be kind over summer holidays in any way you can. This could be helping with tidying up, helping someone when they are upset or talking to an elder relative or friend of family! Tell us all about it in September. After a very difficult school year, we hope you all have a safe and peaceful summer and we cannot wait to welcome you into the Angmering community in September.
