up to
Year 6

THE ANGMERING
SCHOOL

Year 7

Moving up to Angmering Issue 2 - Friday 20th May

Year 7 Curriculum

The move to secondary school marks an important period in any student's learning. It is vital to get the transition from Year 6 right so that every student can continue to make progress and flourish. The Angmering curriculum experience in Years 7 - 9 is designed to be exciting, challenging and engaging. The aim is that all students are ready for their GCSEs and continue to develop their skills and appetite for learning.

One of the questions that we get most often is 'what am I going to learn?' We have a two week timetable so, over the course of 2 weeks, you will have 50 lessons. There is a table below which shows the number of lessons in each subject that students will have on your timetable.

On the first day in school on the Friday 2nd September, year 7 tutors will spend some time making sure that all students understand their individual timetable and where they need to go for lessons.

More information on the specific curriculum followed by each of the subject areas will be sent in the key stage three curriculum guide in the coming weeks.

Subject	Lessons per cycle	Subject	Lessons per cycle	Subject	Lessons per cycle
Art	2	Languages French or Spanish	5	PE	4
Computing	2	Geography	2	Perspectives (RE, PSHE, Careers and SRE)	4
Dance	1	History	2	Science	7
Drama	1	Maths	7	Design & Technology	2
English	7	Music	2	Food Technology	2

"My favourite lesson is science because my teachers are lovely and I just really enjoy the amazing things you do." George - formerly Summerlea CP School

"My favourite subject is computing, as you can learn so much about coding and the world of technology." Jay - formerly East Preston Junior School

"High school has so much more to offer, to challenge you, and make the lessons even more fun & interesting." Eva - formerly Orchards Junior School

Learning Support

We have a massive amount of experience and expertise within the school when it comes to supporting any additional learning need. We have received a lot of information from primary schools and any learning support plans will be transferred to us over the course of the next term so that all the teachers here are aware of any additional support that students may require in lessons.

The three key members of staff who lead our SEND provision are Mrs Gatford, Ms Lyons and Miss Webb.

Mrs Lou Gatford (SENDCO)

Main role: Mrs Gatford co-ordinates the SEND provision in school and along with a team of excellent teachers and support staff, ensures that support is provided where appropriate. She works most closely with students who have EHCPs and also with those whose needs are presenting as beyond the level of 'school support.'

Ms Vicky Lyons (Assistant SENDCO)

Main role: Ms Lyons coordinates the SEND provision for students who are identified as requiring 'school support'. This typically means ensuring all practice across the school is appropriate for the needs of learners who may experience a degree of challenge in accessing their education, as well as coordinating additional provision

Miss Nat Webb (Teacher in Charge of the SSC)

Main role: Miss Webb coordinates support for all students with an EHCP with a physical disability or sensory impairment. She coordinates LSA support and specialist therapy provision and is part of a team alongside Miss Spencer (QToD) and Mr McNamara (QTVI).

Transition Evenings and Transition Day

We are really pleased that we will be able to offer 2 transition evenings on **Tuesday 7th June** and **Thursday 16th June** from **5.30 - 7.30pm** at the school. These evenings will be an opportunity for anyone who is joining us in September to come and meet some of the teachers, come into the school grounds and get to meet some of the students from other schools who will be with them in year 7. There will be a range of fun activities including PE, cooking, arts and subject activities which you will opt into on the day. **Please book so we are aware of numbers attending on the ink below:**

[Booking form](#)

Any issues please email office@theangmeringschool.co.uk

We are also planning on having all of the year group for the day in school on **Wednesday 6th July** which is the agreed locality transition day. On this day, students will be meeting their tutors and completing some taster lessons in school. All students will be expected to attend on this date and more information about where to meet and what to bring will be available after half term.

What our current Year 7s have to say about The Angmering School

There are so many opportunities

Work hard

Everyone is kind and helpful

Be kind

The lessons are such fun

Be proud

The teachers are so kind
