Task to be completed:

Photoshoots mini project

1. Look through the induction slides [here](#) choose a theme to base your mini project on. Use the resources help you plan and go out to take your photoshoots.
2. Take 4 photoshoots (30 photos each) responding to the theme you have chosen.
3. Use your own camera or phone to take photos - if there are any issues with this contact scorin@theangmeringschool.co.uk
4. Use apps to try your hand at a bit of editing - photopea.com is a good tool online.
5. Present your photos in google slides and add some small bits of writing to help you explain your shoots.

What you will need to submit:

At the Angmering School we use Google slides to create our digital portfolios. You should add in your photos to google slides that you will bring to the first lessons and share with the group.

Be creative and have fun taking lots of photos!

All tasks to be handed in during the first lesson of the subject in September
