

Uniform affordability statement

The Angmering School is committed to ensuring that our students' uniform is smart, practical, hard wearing and represents good value for money. We have audited our uniform design, costs and availability in order to meet the new guidance which comes into effect in September 2022.

Our main uniform supplier is Ricara which has a shop in Littlehampton. Their details can be found [here](#). We have worked with them for many years to provide affordable, smart and hard wearing uniforms for our students. Most uniform items however can be purchased from other suppliers provided they meet our uniform policy.
