

Student Agreement 2020 - 2021

There has been wide consultation on this agreement in which we lay out what students can expect from us and, in turn, what we expect of them.

AGREEMENT BETWEEN THE SIXTH FORM AND STUDENTS

We will provide for you:

- Initial and continuing guidance about courses to meet your needs.
- Appropriate teaching, setting and marking of home learning.
- Regular reports and assessments of progress which will take account of your abilities and your objectives for the future.
- Further review of progress whenever necessary on request.
- Facilities and resources for study and the encouragement to acquire sound learning skills and habits. (The Sixth Form Centre is open and you are welcome to study in it from 8.30am to 5.00pm).
- Careful and comprehensive advice and support about careers, both in education and in employment, a service which you can continue to use after you have left the college.
- A willingness to talk with yourself and your parent(s)/carers both at regular published meetings and whenever you request an appointment.
- A genuine concern for the welfare and development of all students. Staff are available for consultation and the help of outside agencies can be sought when needed. No student should ever feel that there is no-one in the school to turn to.
